

January 31, 2003

Dear Reader:

Enclosed is your copy of the Record of Decision (ROD) for the Roundup Power Project. The decision has been made to approve the air quality permit with some conditions imposed by the Department. The applicant, Bull Mountain Development Company, No. 1, LLC, has voluntarily agreed to implement other conditions.

The ROD contains the permit conditions that will be imposed. Also included in the ROD is the Department's rationale for its decision and information on requesting a hearing on the decision from the Board of Environmental Review. The final permit is attached as well. Issues raised in the final environmental impact statement are addressed in either the ROD or the final permit.

We wish to thank everyone who participated in the EIS process. If you need additional copies of the ROD or the final EIS, please contact Greg Hallsten at 406-444-3276 or [ghallsten@state.mt.us](mailto:ghallsten@state.mt.us). Both documents can also be found on the Department's web site [www.deq.state.mt.us](http://www.deq.state.mt.us).

Sincerely,

Jan P. Sensibaugh  
Director
