**RE: Legal Notice on Proposed Partial Bond Release for Barnard Construction, Inc., Cazier Quarry Site**

Dear Editor:

Please place the following notice in the next legal publication section of your newspaper for two consecutive weeks, preferably the Sunday edition:

#### **Legal Notice**

Barnard Construction, Inc., has requested a partial bond release for the Cazier Quarry located about ten miles south of Toston, MT, in Broadwater County. Barnard Construction operated the quarry under Operating Permit No. 00130 to provide rock for road improvements. The current bond is set at \$53,847.

Barnard Construction requests a partial bond release in the amount of \$36,882 to reflect the grading and resoiling of 11.7 acres of disturbance. The Department of Environmental Quality (DEQ) would retain bond in the amount of \$16,995 to assure revegetation and weed control on the reclaimed acreage. DEQ inspected the site on September 14, 2011, and proposes to approve the partial bond release as requested.

Pursuant to Section 82-4-338(5), MCA, DEQ may not release or decrease a reclamation bond until the public has been provided an opportunity for a hearing and a hearing has been held if requested. A request for a hearing on the proposed partial bond release must be submitted by October 24, 2011, to the postal or e-mail address set forth below.

Comments on the proposed bond release or requests for additional information should be sent to: Montana Department of Environmental Quality, Environmental Management Bureau, PO Box 200901, 1520 E. Sixth Ave., Helena, MT 59620-0901, or by calling Herb Rolfes at (406) 444-3841 or e-mail at [\*\*hrolfes@mt.gov\*\*](mailto:hrolfes@mt.gov).

To expedite payment, please send your *invoice, tear sheet, and affidavit of publication* to DEQ at the address above to the attention of **Dick Morrow**. Please indicate that the bill applies to **EMB #50312.044**. Thank you.
