**RE: Legal Notice on Five Year Bond Calculation for Majesty Mining, Inc., Operating Permit 00162**

Dear Editor:

Please place the following notice in the next legal publication section of your newspaper, preferably the Sunday edition:

#### Legal Notice

The Montana Department of Environmental Quality (DEQ) completed the five-year comprehensive bond review of Majesty Mining, Inc. (Operating Permit 00162), located in Sections 31 and 32, Township 3 South, Range 1 West. The site is about 7 miles southwest of Norris, MT in Madison County. The current bond is \$77,424. DEQ is proposing to increase the bond to \$105,542.

The proposed increase in the bond is due to increased costs since the last bond calculation, as well as a revised bonding methodology that was instituted in order to be consistent with how bonds are calculated on federal lands.

A copy of the bond calculations that form the basis for the proposed bond determination can be obtained by contacting the Montana Department of Environmental Quality, Environmental Management Bureau, P.O. Box 200901, 1520 E. Sixth Ave., Helena, MT 59620-0901, or by calling Herb Rolfes at (406) 444-3841 or e-mail at [hrolfes@mt.gov](mailto:hrolfes@mt.gov). Comments must be received by March 21, 2011.

To expedite payment, please send your *invoice, tear sheet, and affidavit of publication* to DEQ at the address above to the attention of **Dick Morrow**. Please indicate that the bill applies to EMB 50311.96. Thank you.

Sincerely,

Herb Rolfes  
Operating Permit Section Supervisor
