

Public Comment Period Extended

The Montana Department of Environmental Quality has extended the public comments period for the Draft Flint Creek Planning Area Sediment and Metals TMDLs and Framework Water Quality Improvement Plan until April 2, 2012. This document describes waters in this planning area not currently meeting water quality standards and a plan to reach and maintain the standards.

The draft document is available on the DEQ web site at www.deq.mt.gov/wqinfo. Electronic copies are available at the Granite County Conservation District, Philipsburg, Drummond, and Anaconda Public Libraries and the State Library in Helena. Public comments will be accepted until 5 p.m., April 2, 2012. Comments may be mailed to Montana Department of Environmental Quality, P.O. Box 200901, Helena, Montana 59620-0901, or submitted electronically at: <http://comment.cwaic.mt.gov/commentpage.aspx?cmntkey=8L9pOGwD3j>.
